Thank you to our many volunteers!

Dear Community Members,

Welcome to the Spring and Summer edition of the Community Education Brochure. We are excited to offer you a wide variety of classes as we continue to celebrate 40 years of serving the Bedford community this year.

We feel that we have an obligation to provide quality education and services to all citizens of the community. I believe that our community and our schools are stronger because of the partnerships and relationships that exist between the schools and all of the citizens of our community. Everyone works together for the good of the children and the good of the community, and Bedford Public Schools serves as a hub for many of those activities through Community Education.

Please look closely at our brochure. I am confident that you will find an activity that you or a member of your family will enjoy. Think Spring and Summer! We encourage you to participate in one of the many fine classes or activities that are available for you and your family. We look forward to serving you.

Sincerely,

Ted Magrum, Ed.D., Superintendent
Bedford Public Schools

RELAY FOR LIFE!

5

Join us for the Fifth Annual American Cancer Society Relay for Life!

9:00am Saturday May 15 until 9:00am Sunday May 16 at the Bedford Community Stadium

Relay for Life is a community gathering where everyone can participate in the fight against cancer. Teams of people camp out and take turns walking in the 24 hour overnight event. Each team is asked to have a representative on the track at all times during the event..... Cancer never sleeps, and neither will we! The survivors will then lead off the event by taking the first lap around the track. Survivors will be our special guests at a breakfast prior to the start of the event. Enjoy food, fun, games, music, friends, and fellowship! Relay for Life gives everyone the opportunity to fight back and make a difference in the battle against cancer, and have fun in the process. Teams can be made up of friends, families, businesses, clubs, churches, schools, and service organizations. Hundreds of luminaries will light the way under the night sky in remembrance of those lost, and those who've survived.

For more information about Relay for Life, to sign up a team, or to volunteer,

All programs are choreographed to a variety of music. 1-2 lb. wrist or hand weights are recommended, but not required. 1-2 lb ankle weights are optional. **Please bring an exercise mat.**
