

Bedford Public Schools Home Access Center (HAC)

The Home Access Center (HAC) is a web-based application, which can be accessed through Internet Explorer or your current internet browser. HAC is accessible from any PC or MAC.

Each student and guardian is issued a separate HAC account. Please see the sticker below for your temporary username and password.

Please follow the directions below to set up individual accounts.

The URL is <https://hac.lisd.us/homeaccess> (please note the "s" in https)

1. Pull down the *Select a District* menu on the HAC login page and select **Bedford Public Schools**.

2. Enter your username and password (found on the label below)

*Usernames and passwords are **not** case sensitive.

To customize your password once you are logged in, go to the upper right corner of the page and click on the My Profile link.

1. Enter the password you used to log in to HAC in the first box.

Confirm New Password:*

2. Type your new password in the New Password box. *Passwords must be a minimum of 8 characters.

3. Retype your new password in the Confirm New Password box.

4. Click the Change button. You will receive a message that the password was successfully changed.

5. Click the Close box.

Once logged in, the first page lists students that are linked to the guardian for every school building. Click on the name of the student to view their available information.

Note* A guardian with multiple children in the District will have a single login account to HAC. Bedford Junior High and Senior High are the only schools in the District currently using HAC.

Receive Attendance, Progress Reports, and Report Card updates by email

1. Guardians may enter and manage email addresses and contact information by clicking on the Registration Tab. The system will only allow guardians who share the same residence as the student to enter and manage contact information. Please contact the help number below if you are unable to edit contact information and someone will assist you.

2. Then click on the Edit Information link

3. Next, click on the Email Alerts Tab and check the boxes for the email alerts you would like to receive then click **Save**.
