BJHS Target Goal Statements

Target Goal Area: Reading and Writing

Goal: In preparation for life-long learning, all BJHS students will improve their narrative reading and writing and listening skills and apply critical thinking to a variety of materials across the curriculum.

Target Goal Area: Social Studies

Goal: All Bedford Junior High Students will demonstrate the ability to analyze and or synthesize expository reading material in order to become informed citizens and life-long learners through reading and writing.

Target Goal Area: Science

Goal: All Bedford Junior High Students will show progress in their scientific reasoning skills and logical thought processes across the curriculum in preparation for life-long learning.

Target Goal Area: Mathematics

Goal: All Bedford Junior High Students will show an increased understanding of problem solving using critical thinking skills to prepare them for a life-long ability to analyze, evaluate, and apply a logical thought process in mathematics.

Target Goal Area: Responsibility

Goal: In preparation for life-long learning, all Bedford Junior High students will demonstrate measurable improvements in personal responsibility.
